

I would never have spent \$9.95 per month, if free radio had not went downhill as much as it has in the past two to three years. I get to listen to what I want when I want... ITS GREAT!!!! And with traffic and wheather coming to Miami in the future, WOW. I PAY for this service, it is not paid for with taxes. So I ask you to not in any way vote for any bills, that will make my XM experience less enjoyable and less safe on the roads. Traffic reports will add to my XM driving experence. PLEASE VOTE AGAINST NAB'S PETITION 04-160. Thank you for taking your time to read my letter. Feel free to contact me regarding this matter. THANKS AGAIN...ROBIN MOHR 2401 Riverside Drive Apt. 404, Coral Springs Florida 33065
